

TCC Tournament Guidelines

Revised 2.09.2018

Tournament Request: All tournaments need to be requested yearly to the Tournament Committee with a date and time. Tournaments need to be scheduled before March 15th of each year to be included onto the TCC Schedule of Events calendar. Any tournament request after March 15th the tournament organizer must submit the request in person at one of the Monthly Board of Director's meetings which are held on the first Monday of each month. Tournaments run by Club Members take precedence over tournaments run by non-members.

Tournament Fees: TCC will be paid a \$10.00 entry fee for each person playing in the tournament. Any modification of this fee will need to be discussed at one of the Monthly Board of Director's meetings.

Cart Rental: Additional carts can be brought onto the course from an outside source for rent during the tournament. This cost will be incurred by the tournament organizer who is also responsible for the payments of these carts. All available TCC rental carts must be rented out first. If any TCC carts are not rented out, the tournament organizer will be charged as if the cart was rented.

Clubhouse Employees: All employees working the Clubhouse during the tournament will be employees hired by the TCC.

Food: Outside catering is acceptable during tournaments. The caterers will be given access to the kitchen area but cleanup is the responsibility of the caterer or tournament organizer.

Beer Carts: No beer carts allowed unless beer is paid for in advance. This is the responsibility of the tournament organizer and money should be collected by the Clubhouse manager before the tournament starts.

Clubhouse Managers: TCC Board of Directors: 335-2337

Tournament Committee: Bill Baird: 335-8205 & John Beethe: 335-8119
